ST has not authorized anyone to make any representation or warranty for the Licensed Software, and any technical, applications or design information or advice, quality characterization, reliability data or other services provided by ST shall not constitute any representation or warranty by ST or alter this disclaimer or warranty, and no additional obligations or liabilities beyond those explicitly stated in this Agreement shall arise from ST's providing such information or services. ST does not assume or authorize any other person to assume for it any other liability in connection with the Licensed Software.

Nothing contained in this Agreement will be construed as:

- (i) a warranty or representation by ST to maintain production of any ST device or other hardware or software with which the Licensed Software may be used or to otherwise maintain or support the Licensed Software in any manner; or
- (ii) a commitment from ST and/or its licensors to bring or prosecute actions or suits against third parties for infringement of any of the rights licensed hereby, or conferring any rights to bring or prosecute actions or suits against third parties for infringement. However, ST has the right to terminate this Agreement immediately upon receiving notice of any claim, suit or proceeding that alleges that the Licensed Software or Your use or distribution of the Licensed Software infringes any third party intellectual property rights.

All other warranties, conditions or other terms implied by law are excluded to the fullest extent permitted by law.

LIMITATION OF LIABILITIES

In no event shall ST or its licensors be liable to You or any third party for any indirect, special, consequential, incidental, punitive damages or other damages (including but not limited to, the cost of labor, re-qualification, delay, loss of profits, loss of revenues, loss of data, costs of procurement of substitute goods or services or the like) whether based on contract, tort, or any other legal theory, relating to or in connection with the Licensed Software, the documentation or this Agreement, even if ST has been advised of the possibility of such damages.

In no event shall ST's liability to You or any third party under this Agreement, including any claim with respect of any third party intellectual property rights, for any cause of action exceed 100 US\$. ST may terminate this Agreement, including its licenses, at any time if You are in material breach of any of its terms and conditions and You have failed to cure such breach within 30 (thirty) days after receiving notification from ST of such breach. Upon termination, You will immediately stop any use of the Licensed Software and all derivatives of the Licensed Software as permitted in this Agreement, and destroy or return all copies of the Licensed Software and all permitted derivatives (including without limitation any documentation) to ST.

APPLICABLE LAW AND JURISDICTION

This Agreement and matters connected with the validity, interpretation or performance thereof shall be governed, construed, interpreted, and applied in all respects by the law in place in Switzerland, without resort to conflict of laws principles. The Parties expressly agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement or to their relationship.

Dispute Resolution. The Parties consent to exclusive jurisdiction in the court of Canton of Geneva, Switzerland for purposes of any litigation arising from this Agreement. For the avoidance of doubt, nothing in this section shall prevent either Party seeking interim injunctive relief from a court or tribunal of appropriate jurisdiction.

SEVERABILITY

If any provision of this agreement is or becomes, at any time or for any reason, unenforceable or invalid, no other provision of this agreement shall be affected thereby, and the remaining provisions of this agreement shall continue with the same force and effect as if such unenforceable or invalid provisions had not been inserted in this Agreement.

WAIVER

The failure or delay of either party to enforce any provision of this Agreement shall not operate or be construed as a waiver of any other or a subsequent breach of the same or a different provision.

ASSIGNMENT

This Agreement may not be assigned by You, nor any of Your rights or obligations hereunder, to any third party without prior written consent of ST. In the event that this Agreement is assigned effectively to a third party, this Agreement shall bind upon successors and assigns of the parties hereto.

RELATIONSHIP OF THE PARTIES

Nothing in this Agreement shall create, or be deemed to create, a partnership or the relationship of principal and agent or employer and employee between the Parties.
